INDIANA UTILITY
REGULATORY COMMISSION

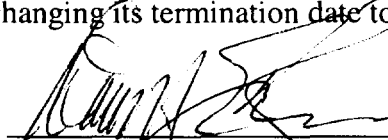

CAUSE NO. 42359

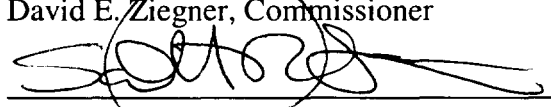

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") caused the following entry to be made in this Cause:

On February 28, 2005, PSI Energy, Inc. ("PSI") filed a *Motion for Extension of Time to File Real Time Pricing Collaborative Report* ("Motion") in the above captioned Cause. In support of its Motion, PSI states that despite due diligence by PSI and the Collaborative parties, more time is needed for the parties to work toward an alternative RTP proposal. In addition, PSI indicates that its Real Time Pricing Standard Contract Rider No. 21 is currently scheduled to expire on March 31, 2005. Therefore, to accommodate this extension, PSI proposes that Rider No. 21 be revised to change its current termination date of March 31, 2005, to June 30, 2005, or prior to that if it is superseded by a newly approved RTP Rider.

The Presiding Officers, having read and examined the Motion and being duly advised in the premises, hereby GRANT the Motion and find that the RTP Collaborative Report should be filed with the Commission on or before June 30, 2005. Consistent with our findings herein, PSI shall also file a revised Real Time Pricing Standard Contract Rider No. 21 with the Commission's Electricity Division, changing its termination date to June 30, 2005.

IT IS SO ORDERED.
